

## CAMPUS TOWERS NEWS

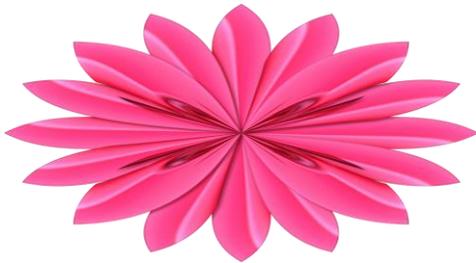

July  
2019

### FROM THE DESK OF MARCHELLE KNAPP

Summer is here! This is the time of the year that the flowers are in their full bloom and so beautiful. Campus Towers has some incredible flowers on our grounds.

It is worth your time to take a walk and see the flowers in full bloom.

The Campus Towers resident garden is growing. If you would like to be a part of the garden club, it is not too late to join us. Check the calendar for the day and time. We meet in the activity room and head on out to the garden depending on the weather.

We have made the switch to our new food vendor FSA. Fawn and her team are working to find new menu items that you will enjoy. We plan to change up the menu this fall. If you have suggestions, please let Fawn know or submit your ideas using the comment cards at the tables.

**Announcement**

Our mail person has requested that we inform our residents “that the mail man is not allowed to give your mail directly to you or allow you to take your mail from your box without using your key”. They are required to put it in the mail box and have you retrieve it from the box. Please wait to get your mail until they are completely finished delivering. The mail folks are bound by federal law to follow the proper mail delivery protocols. Thank you.

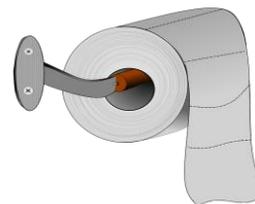

**Senior Savings**

Here are a few money saving tips I wanted to pass on to you.

- Fred Meyer offers a 10% discount to all seniors on the first Tuesday of every month. The offer applies to most items in the store. It is in addition to the regular sale items.
- Safeway now lets you use your gas rewards for other items not just gas. That is great news if you don't have a car. If you have a smart phone and need help to download the Safeway app, come see us at the office and we can help. Lots of discounts are found on the app.
- Safeway also offers free delivery on your first grocery delivery. If you find yourself needing groceries but not up for cruising the aisles this might be an option.
- Amazon offers their Prime day on July 15<sup>th</sup>. This is much like a black Friday sale at Amazon. They offer great discounts on electronics and tons of other great items. Sign in to Amazon.com to see all the deals.

If you are interested in getting more information about these savings just stop by the office and see Marchelle.

We have a supply of toilet paper that we are making available to residents to purchase at 50 cents a roll. They don't fit the public restrooms correctly but they will fit perfect in your apartments. Don't wait to cash in on this great price.

### **Bible Study Coming This Fall**

Phyllis Santos will be facilitating a video series by Priscilla Shirer on Gideon. The focus of the study will be “Learning to recognize your weaknesses so that you can experience God’s strength in your life”. The lesson comes from Judges chapter 6 thru 8. The materials are available for purchase from Amazon for \$18.00. We have some funds available to cover the cost if it is a hardship for you. Please connect with Marchelle in the office to place your order. This will be a powerful time of learning and growing in your faith. Phyllis is planning to begin the study in October.
